Other Information:

The maximum monthly charges depend on the number and type of calls made that are not included in the monthly access fee. Charges for international calls vary by location. The total minimum cost is \$79.95, which includes the SIM card activation and delivery fee of \$9.95, which appears on the first monthly bill. A 1month's written notice is required to cancel the service else an \$99 Early Exit Fee may apply. Subject to stock availability, this service can be supplied with a Standard, Nano, or Micro SIM card.

Monitoring your Usage:

To access your updated usage information and other details, call our trained customer care. SMS alerts will be sent once 50%, 85% and 100% of the Data allowance has been reached, in order to notify you of your Data usage.

Using your service overseas (Roaming):

Subsidized International Roaming facility is not activated by default. Charges are significantly higher if you use your sim card internationally as compared to when in Australia. These charges are calculated in addition to or on top of the Plan value. Please refer to our website to view the international roaming policy and charges. We recommend you to purchase an international sim card prior to, or upon arrival at your overseas destination which is compatible with your handset/s.
